Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims in this case, is the inclusion of the gas generating composition consisting essentially of a single base gas composition with stabilizer that is included in the independent claims, in combination with the other elements recited, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
